#### **Selection Process:**

Although there are no income restrictions to participate in the program, qualified applicants with demonstrated financial need will receive priority placement status.

A review committee will be created to review the applications and available positions to determine suitable matches.

Applicant will meet with the Program Coordinator and the Department Head to determine their skill level and experience to meet the criteria set forth in the available positions.

After the meeting, the applicant will be notified by the Program Coordinator as to the outcome of the meeting.

If accepted by the Department Head, the applicant will be sent a letter of confirmation and a start date. If not approved ,the applicant will be told the reason why and the Program Coordinator will try to match the applicant with an appropriate position.

Applicants will have the right to refuse a placement. When possible, each applicant will be granted up to two (2) meetings for two (2) different positions, based on their qualifications. If either of the two (2) positions is not acceptable to the applicant, there is no guarantee of another position being made available for that year.
